

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Uses and disclosures

Treatment: Your health information may be used by staff members or disclosed to other health care professionals for the purpose of evaluating your health, diagnosing medical conditions, and providing treatment. For example, results of laboratory tests and procedures will be available in your medical record to all health professionals who may provide treatment or who may be consulted by staff members.

Payment: Your health information may be used to seek payment from your health plan, from other source of coverage such as an automobile insurer, or from credit card companies that you may use to pay for services. For example, your health plan may request and receive information on dates of service, the services provided, and the medical condition being treated.

Healthcare Operations: Your health information may be used as necessary to support the day-to-day activities and management of Veritas Healthcare Solutions. For example, information on the services you receive may be used to support budgeting and financial reporting, and activities to evaluate and promote quality.

Law Enforcement: Your health information may be disclosed to law enforcement agencies without your permission, to support government audits and inspections,

to facilities law-enforcement investigations, and comply with government mandated reporting.

Public Health Reporting: Your health information may be disclosed to public health agencies as required by law. For Example, we are required by law to report certain communicable diseases to the state's public health department.

Other uses and disclosures require your authorization: Disclosure of your health information or its use for any purpose other than those listed above requires your specific written authorization. If you change your mind after authorizing a use or disclosure of your information you may submit a written revocation of the authorization. However, your decision to revoke the authorization will not affect or undo any use or disclosure of information that occurred before you notified us to your decision.

Additional Uses of Information: Information about treatments. Your health information may be used to send you information on the treatment and management of your medical condition that you may find to be of interest. We may also send you information describing other health-related goods and services that we believe may interest you.

Individual rights:

You have certain right under the federal privacy standards. These include:

- The right to request restrictions on the use and disclosure of your protected health information
- The right to receive confidential communications concerning your medical condition and treatment
- The right to inspect and copy your protected health information
- The right to amend or submit corrections to your protected health information
- The right to receive an accounting of how and to whom your protected health information has been disclosed
- The right to receive a printed copy of this notice

Piedmont Family Practice Duties

We are required by law to maintain the privacy of your protected health information and to provide you with this notice of privacy practices.

We also are required to abide by the privacy policies and practices that are outlined in this notice.

Right to Revise Privacy Practices

As permitted by law, we reserve the right to amend or modify our privacy policies and practices. These changes in our policies and practices may be required by changes in federal and state laws and regulations. Whatever the reason for these revisions, we will provide you with a revised notice on your next office visit. The revised policies will be applied to all protected health information that we maintain.

Requests to Inspect Protected Health Information

As permitted by federal regulation, we require that requests to inspect or copy protected health information be submitted in writing. You may obtain a form to request access to your records by contacting the receptionist or clerical supervisor.

Ethnicity/Race/Preferred Language

In an effort to make sure all of our patients get the best care possible we are collecting Ethnicity, Race, and Preferred Language. By telling us their racial/ethnic background we can design our care to best meet our patient's needs.
